

Invitation For Website Listing

A group of local business owners have banded together to form a business association for Danville and the surrounding area, Main-Market & Beyond. We are now registered as a 501(c)(3) and will be launching a website shortly. The group was formed as part of the Strategic Plan created for the Village by MS Consultants and the Area Development Foundation.

You can view the full plan here, <https://knoxcoplans.com/danville/view-the-final-plan/>

Our goal is to promote local businesses by supporting tourism, coordinating advertising efforts, and promoting local commerce.
